#### **Ushering In Homecoming 1969**

(A.) was the traditional bonfire on Thursday evening. Beaten by sledge hammers was the Lancaster Golden Gales, represented by a junked jalopy. Friday night was set off by the snake dance through town and the stiff competition of the float contest. (B.) The unsuspected victory of the Sophomore float was announced preceding the opening kick-off. (C.) The pinnacle of the Homecoming festivities was reached at halftime as Charlotte Raybuck was crowned Queen by Kathy Hardman. (D.) Her attendants were Janice Badger, Diane Hickerson, Pam Meagle, and Diana Pabst, escorted by Ed Kimmich, Charlie Kremer, Mike Gulliver, and Jeff Adams, respectively. Dennis Kritzmacher escorted Charlotte. (E.) As Co-captain Bob Wurtzbacher congratulated the Queen with a kiss, the Tigers made ready to resume the battle with the Golden Gales. (F.) Although the Tigers fought fiercely, the third contest of the evening was won by Lancaster as Marietta suffered defeat, 14 to 7.

The "Age of Aquarius" on Saturday night was reigned over by Queen Charlotte.

Although the concept of fashion and of being fashionable is by no means recent, new styles and new clothes continue to excite members of both sexes. The "latest thing" and the "total look" are invariably adopted all over the globe; no place is exempted. But the up-to-the-minute styles are just revivals of the

from another era. Maxi coats (A) and skirts are unquestionably the basic style of a preceding age. Hair (B and C) can be shaped short, medium, or long; designers have only those three choices. Heels—fat or skinny and toes—round or pointed are the options for shoes (D). Regardless of this, however, the styles of a particular period bear a distinctive touch to distinguish them from other years. Patterned pants (E) worn today are the combination of those pants sailors wore and the artistic patterns of the Indian culture. The combinations of two or three periods of fashion creates another, which the people call all their own.

King of Hearts Dance and the novel Spirit Week. At the dance, held on Valentine's Day, each girl was given a momento program (A) and several pieces of heart-shaped candy. Music was presented by *The Chancellors* of Zanesville. Spirit Week, held for the first time this year, created much class competition in the form of a hall decoration contest (B) and a pep assembly. After the victory over Lancaster, mock Dating and (C) Newlywed Games were conducted. The musical talents of (D) Karl Kesselring and Dave Gifford provided intermission entertainment.

students during and before the school year; honors which were worked for and cherished after received. Only through hours of repititious practice each day was Marietta Cheng (A) able to achieve her proficiency as a pianist. Winner of several scholarships, Marietta has attended Interlochen National Music Camp for two successive years and has attained national fame. Also receiving recognition outside of Marietta was John Greacen (B) with his science project "Aerodynamics of Autoracing." After building his own wind tunnel, John has won ten "Superior" awards since his freshman year. Ginny Cole (C) had the opportunity to travel for six weeks in Europe this past summer. Going with the People to People campaign, she was to try to increase communications among peoples of the world. First and third places in the Future Business Leaders of America contest were won by Wendy Weihl (D) and Cindy Johnson (E). Wendy placed for her typing abilities and Cindy for her filing and typing skills. Also connected with FBLA, Debbie Ward (F) was elected as Vice-President of the Southeastern District. Only a sophomore, Debbie had many responsibilities on her shoulders during her term of office.

## Fantasy, Charm, and Chivalry Were "Camelot"

Before enchanted audiences, the legend of Camelot was unfolded in March of this year. Wearing several of the original costumes from the film version, the cast related the tale of "might for right," and "justice for all." Dave Gifford (A) and Judy Ellis (B) surpassed all expectations in their roles of King Arthur and Guinevere. Supporting them were Drew Chorpenning as Merlin, Scott Elliot as Lancelot, Tom Brown as Pellinore, Polly Wigton as Morgan La Fey, and Craig Conrath, who broke his foot during dress relearsal, as Mordred; all gave brilliant performances. Set construction (C) and scenery (D) was exquisitely done with the use of backdrops and rented screens. Innovated this year, the 32-piece orchestra, directed by Mr. John Gibbs, provided accompaniment and sound effects. Mr. Sonny Mackey (E), Hollywood costumer, supervised the creation of the costumes. Stage director was Mr. Scott Bowen.

Assemblies, Forums, And Spirit Week

A raving preacher and a gospel-singing congregation revived Pride and buried Apathy at Student Council's first assembly. With the early death of Apathy, communication grew and Student Forums were held to better the student-faculty relationship. Spirit Week brightened gray January with an underclassman slave auction, two assemblies, inter-class floor decoration competition, teacher appreciation day, and a basketball game. Advised by Mr. Bowen, the group attempted to reach more students and therefore be a truly representative government.

A. The 119th Pride Revival brings assurance to MSHS that Apathy is dead and Pride is alive. B. Heading the student grovernment are; Chris Boston, Pam Meagle, Linda Thompson, Marietta Cheng, Doak Markley, Walter McVeigh, and Don Baker. C. Communicating between students and faculty is one of the duties of student body president Marietta Cheng.

#### Service, Character, Leadership, and Scholarship

Sixty-four members were inducted into National Honor Society in February. This was the largest number ever tapped. An honorary society, NHS inductees are required to have leadership, service, and character as well as scholarship qualities. Formal initiation was held April 18 at the end of a probationary period. Members performed such services as the orientation program for sophomores and new students, operating the bookstore, and tutoring other students. The National Honor Society Scholarship Fund provided worthy seniors with aid. The fund was contributed to by the Scholarship Team, another NHS sponsored activity. Advised by Mrs. Virginia Noe, the group ended the year with the annual picnic.

Assisted by the adult committee, members of the American Field Service Student Committee strived to strengthen international understanding. On the agenda for meetings were various speakers of mutual interest to the club. Through bumper sticker sales, an after-game dance, and the annual AFS assembly, money was raised for students to become citizens of the world.

#### "Walk Together, Talk Together,

#### O Ye Peoples Of The Earth, For Then,

"Zé, you are going to Marietta, Ohio, to live with Mr. and Mrs. Baker. I'll drop by in several minutes to give you the application." When I heard the president of the A.F.S. chapter tell me this on the phone last July, I was the happiest person in the world. I had just achieved a dream of a good many years: to come to the States as an exchange studnet.

I was born in Santos, state of Sao Paulo, Brazil, in January 23, 1952. My hometown is the busiest port of Latin America, in part because of its closeness with the industrial center of Sao Paulo. It is also the port that exports the most coffee in the world. The city has 350,000 inhabitants and is an important resort for its beaches.

I have three brothers: Joao, 13; Rui, 9; and Paulo, 5. My father owns a piece-goods shop and Mum is an elementary school teacher.

When I first met the Bakers, I knew at once they were the right family. I was very lucky and always enjoyed living with them. The only problem would arise when I tried to convince them that I was too tired and should stay home and rest . . .

Looking back, school life was lots of fun. I could never shape with the running (I liked to chat a bit between classes), and research papers gave me many headaches. I could never get rid of the Latin habit of sleeping after lunch and the math class (6th & 7th periods) would suffer the consequences . . .

It required lots of personal ability to talk in study halls and not get a detention slip. The Senior Class Play was lots of fun and I enjoyed spending that time with the group. I learned very fast what T.G.I.F. stood for.

School life was one of the high points of my experience and a wonderful one! Here at MSHS, I found my best friends and supporters. Here I spent many hours that will be most valuable in the years to come.

I have to thank all of you for making possible my coming and providing such an enjoyable stay. I am very grateful to all of you and one part of my life and of me will always be with the Mariettians.

I will be back as soon as possible.

With love Ze´

#### And Only Then Shall Ye Have Peace

Last year this time, I was rather nervously avaiting a letter from New York which would tell me whether I would spend my summer here or in any one of forty foreign countries. The waiting proved worthwhile: on June 25 I flew from New York to Brussels, Belgium on the first leg of my journey to Finland.

When I left, I knew very little about the Finns. A hurried search of the local libraries had turned up a few chapters about the geography and history, enough of the language to prove its claim of being one of the most difficult. By the time I returned, I knew a little more about Finland, its people, and their way of life, but very little of its language. It's very difficult.

There are so many memories that I really don't know where to begin. Sauna is an experience I'll never forget. At first, I was a bit appalled at the idea of roasting myself at 230 °F. But after the first time, I was an instant addict. But most of my memories of Finland are memories of people. First of all, there is my new family—Mr. and Mrs. Helme, Matti, Sejya, and Eva. By welcoming an American teenager into their home, they made my whole AFS experience possible and gave me a whole new set of relatives. And there are all the kids from the summer school where I spent my first month, the teachers, and the unforgettable Wolfgang E. Schonert, Susan Stormont of Rochester, New York, my co-teacher at Paivola Summer Gymnasium, Anja Lwihaner, Head of the Finnsh AFS, all the AFS Finland-'69'ers, and so many others on both sides of the ocean.

I would like to thank the many people who made my trip possible. It would be impossible to list them or even thank any one of them enough on this page. I believe that each year as more young people live and study abroad, another step is made towards understanding, sometimes indispensable in today's rapidly shrinking world. I am grateful that I have had a chance to be a part of it.

Luv, Mike

A. Improvising, as demonstrated by Mary Stout and Scott Elliott, is a skill often used by Thespians.

The National Thespian Society recognizes students for their work in dramatic arts. Students who have completed one hundred hours of dramatics works are tapped for Thespians. The Senior Class Play, "Our Town", and the All School Musicale, "Camelot", provided opportunities for interested students to gain hours. Following a week long initiation, new members were honored at a banquet held at the Lafayette Hotel.

A. A smile adds sparkle to Joy Gatten's speech.

The Marietta High School Speech Society was organized with the purpose of promoting interest in the area of speech and encouraging participation in speech contests. In the spring a play was performed at an assembly in hopes of drawing new members.

Things ran a little smoother this year as sixty volunteers became office aides, library aides, and guidance aides. Under the direction of Mrs. Wetzel, office aides collected absence slips, ran errands and answered the telephone. Mrs. Bole advised the library aides who jacketed, shelved, and checked out books. Regulating the number of people interviewed by counselors and checking schedules were two of the many jobs of the helpful guidance aides. Without these volunteers, life at MSHS would have been a little more hectic.

# **Proceeds From The Christmas Concert**

Dressed in formals and tuxedos, the choir celebrates Christmas with a concert.

Madrigals are songs containing emotion, written in the fourteenth and fifteenth century, all sung in English. The "Madrigal Singers" were a blend of the best voices in the school, six boys and seven girls. They did virtually every kind of music for accompanist piano, including new arrangements by Mr. Gibbs. The "Madrigal Singers" sang at community meetings and the Christmas Concert.

### A New Look And A New Name For The Choir

Tuesdays found the Chamber Choir hard at work rehearsing for up-coming concerts. Lacking enough members for a full concert choir, the name was changed to Chamber Choir. A new look prevaded as singers abandoned the traditional choir robes and donned brightly colored dresses and dark suits. Membership in the Chamber Choir was open to all studnets with seventh, eighth, or ninth period study halls.

### Pride, Skill, Teamwork, And Spirit Were

A. Teamwork and fun are combined as GAA members play a game of fast-moving volleyball.

Keen competition made GAA's basketball, volleyball, and badminton games more exciting. Team spirit was evident as members spent every fourth and fifth period striving toward victory and more accumulative points. Associate members supported the club by selling magazines and candy as well as attending playdays and hikes. Formal initiation of both scheduled and associate members was held in early January. An awards banquet closed the year.

A. Leading the marching band this year are; Becky Theis, Connie Temple, Patty Hickman, Gary Duffy, Diane Rinard, Carol Corlett, and Suzanne Johnson. B. Third quarter is a time for relaxation for many band members.

Preparing the giant pinwheel for competition at Zaneville's *Bonanza of Bands* began in August with a week at band camp. "Bandlings," as they nicknamed themselves, spent many hours drilling. After band camp, the band went to the Canadian National Exposition in Toronto. Several days were spent touring the CNE and Niagara Falls. In September, the band went to Zanesville and captured third place in field competition.

A candlelight ceremony highlighted this year's Quill and Scroll initiation. Seventeen members were inducted in the honorary society for student journalists. Requirements were that students be staff members of Orian, Original, or Tiger Times and be in the upper third of their class. The group was advised by Mrs. Jane Burton.

### Hard Work and Long Hours Were Spent on ORIAN

A part of advisory chores, Mrs. Glenna Neville, signs another pass. The staff lost Sharon Dyar, section editor of faculty, when she moved East. She and the *Orian* business staff are not pictured.

Deadlines, captions, pictures, and headlines were big headaches for the *Orian* Staff. In an effort to give the student body a better and different book, the staff members, both editorial and photographic worked long hours. Pictures were taken, people identified, headlines written and the *Orian* took shape. There were crises; negatives were lost, headlines were forgotten, the darkroom drain was clogged up. There were triumphs; a perfect picture, good copy, food at the end of a long afterschool session. *Orian*; a time to laugh and a time to weep.

For a football team that was expected to win only two or three games, the 6-3-1 record established by the Marietta Tigers no less than stunned the local fans.

Starting with a strong returning nucleus, Coach Bonar and his assistants started plugging the many gaps around it. Their efforts produced a team of overall inexperience. Offsetting this lack of knowledge, however, was desire; to learn and to be the best!

The Tigers opened at Athens, where they handed the Bulldogs a 12-0 loss. Two touchdown passes from quarterback Karl Kesselring to tight end Kirk Hardman accounted for the game's scoring.

In their second game, the Bengals nipped Martins Ferry 14-13. Few will forget Kesselring's last minute (1:26 to play) touchdown and Doak Markley's pressured extra point that clinched the victory.

It was a Saturday afternoon crowd that watched Marietta blow a 13-0 lead, set up by two touchdowns by fullback Kim Casto, against their third opponent; Bellaire. With 45 seconds to play, and trailing 14-13, the Tigers lobbed a pass into the endzone where Hardman made a great catch to give the Tigers a 19-14 victory.

Parkersburg invaded a week later and handed the Tigers an 18-0 loss, but it was a strong Tiger defensive game.

The visiting Fairfield Union team was trounced a week later, 54-0. The first league game was with Chillicothe and the Tigers started very slowly, but after being down 14-0, they fought back. The offense jelled and the defense became tenacious, and the final score said 20-20.

Lancaster came for Homecoming and won 14-7. The Tiger score came on a "bomb" to Jeff Smithberger who caught the ball as he fell into the endzone.

Marietta roared into Zanesville and there, sparked by Mark Burke's exciting runs, they scored 21 points in the last 14 minutes of the game to hand the Blue Devils a 27-17 loss. Upper Arlington beat Marietta 28-0 in a hard hitting contest the next week.

Newark visited for the finale, and the Tigers were ready. They scored 46 points and held Newark to a meager 12, with five first downs and less than one hundred yards rushing.

#### Self-Discipline, Endurance . . . A Harrier

Cross Country is a lot of hard work. A handful of boys, starting in early August, go down to Muskingum Park and run as much as twelve miles a day, and their only purpose is self-satisfaction. There is little glory in Cross Country. The crowds are not big and some students probably don't know what it is. However to others, the Cross Country participant represents the finest of athletes: the self-disciplined person who can go out day after day and run and run and run.

The 1969 Cross Country team did not have a great year but it was a good one, although it did involve some disappointment. They did place first in three of their meets.

The top performer for 1969 was Barry Williamson. He placed top among Tiger Harriers in all but four races. Mike Lowe and Joe Cowdery were the next in line for the Marietta team. Lanny Lancaster, starting the season as a Reserve, moved up and placed among the top three in his five Varsity appearances.

#### **Determination Offsets Inexperience**

If prizes were given for tough, dedicated, physically conditioned, and tenacious athletes, chances are nine out of ten of those prizes would be won by wrestlers. No other sport at MSHS is as demanding as wrestling. A wrestler's lot is not an easy one. A practice consists of "loosening-up" exercises, running up and down steps for 10 or 15 minutes, then wrestling a little, running some more, and doing chin-ups and more exercises. When it's over, the wrestlers, about five pounds lighter, shower and go home where a big dinner of jell-o, lettuce, and skim milk is waiting. Watching the weight is important to a wrestler.

The Tiger wrestlers this year were led by co-captains Dave Hill and Bob Wurtzbacher. Chris Mendenhall and Charles Brown were also front running matmen. Hill (115), with a 21–0 record and COL championship, Mendenhall (175), and Brown (Unlimited) won their divisions in the sectional and qualified for the district.

The team started off rather slowly, but advanced in both ability and experience as the season progressed. They defeated previously one time loser Warren in a close match where Brown decided the victory with a 3–1 win over the Warren heavyweight. But it took a concentrated team effort to set up Charlie's big victory.

That was how the season went. The team gave 110% every time they were on the mat, trying for that big victory.

A. Putting the finishing touches on his opponent is Chris Mendenhall. B. An unidentified Tiger tries to find an escape from his opponent's bid for a "predicament." C. (Hill won his division and went to the state tourney.)

A. Tiger Captain, Kirk Hardman, shows his great ability to penetrate for the close-up shot. B. Getting a shot off in "traffic" is no easy task, but Brian Hedderick is someone who can. C. The hot-shot junior, lefty, Mike Beardmore, peels an eye for two more. D. Indiana move-in, Ken Terry, doesn't let a height disadvantage stop him from getting the short one. E. Bulling his way in for a lay-up, big Doak Markley shows how weight can be thrown around. F. With good height, Bob Pishko makes a reverse lay-up look easy. G. Going high above everybody to launch his shot is 6'5" Kevin Smith.

#### All Aimed At The Hoop

In a week, a basketball player may run some thirty miles up and down the court. All but about two of these miles are run in practice.

Marietta finished 8-15 on the season, and a disappointing 1-8 in COL action.

The four seniors on the team (it was a rebuilding year) were Captain Kirk Hardman, Doak Markley, Mike Lowe, and Brian Hedderick (a New York move-in who provided a boost to the squad as well as being an excellent ball handler). These seniors gave excellent leadership, and set examples for their underclassmen to follow. It was the tremendous effort, however, from relatively new faces that kept the Tigers alive in many of their ballgames. Juniors Mike Beardmore, Kevin Smith, Rick Nuzum, and Bob Pishko were regulars and accounted for over half the total points scored by Marietta. Sophomore Ken Terry was probably the most pleasant surprise handed the Tigers in some time. His fine outside shooting opened up the inside for the taller Tiger scorers.

During the season, the Tigers stayed with a zone defense to try to compensate for a lack of overpowering height. Their offense was a shoot and run type that worked better against a big team rather than small, quicker teams.

The season ended at the sectional tourney where, after defeating Nelsonville-York to gain the semi-finals, Marietta was eliminated by New Lexington.

The newest sport on the hill is swimming, initiated this year.

Led by excellent swimmers such as B.J. Haley and Mike Moynihan, the new Tigers fought their way to a 3–7 record, though impressive for a first season. The team was plagued by injuries and ineligibilities. In some close meets the Tigers lost because of a lack of swimmers in competition. (An individual may swim in only two different events.)

The diving events were held down by Dave Lane and Mike Franklin who performed wonders with the dives they had to perfect in order to score.

Swimming has established itself at Marietta and participation is bound to improve. So there is a lot to look forward to in the swimming program at MSHS.

#### **Some Tired Muscles**

The 1969 edition of the Marietta track team finished as expected, admirably. Led by the talented Dave Burke (who established a school record in the long jump as well as a C.O.L. record in the same event) and Jeff Knight (who led the high hurdle team and also set a new school record in the high jump) and a host of talented distance men, Marietta presented itself as a formidable foe. The weight men were anchored by Randy Burnworth, Doak Markley, and Lynn Weppler. These boys, though inconsistent at times, gave credible performances. Bart Stanley, Eric Abrahamsen, and Gary Saunders led the versatile group of distance men which also included: Mike Lowe, Curt Cain, Barry Williamson, and Joe Cowdery. The pole vault was held down pretty solidly by Ben Cogswell.

The 1969 track team, as far as the season goes, competed against some highly regarded teams and represented Marietta in its typical fashion . . . Superbly!

A. The ecstacy of victory is etched all over Gary Saunder's face after a grueling two miles. B. Making it look easy as he heads for another M.H.S. record breaker is Dave Burke. C. The exchange of the baton is made between two of the Tiger's versatile relay men: Barry Williamson and Curt Cain. D. "Almost doesn't count," highjump record holder Jeff Knight discovers.

#### **Team In Ohio**

Marietta Senior High School is fortunate to have the only high school crew team in Ohio. That's right! The MSHS crew team is the perennial state champ in high school rowing.

Crew is not an easy sport! Most of the team is in training (weight lifting and running) year round. It is necessary to be in top shape to be capable of living the torture of the 40+ strokes a minute needed to produce that shell-length win.

Anchored by seniors Joe Etter, Bill Williamson, Alan Schoolcraft, Steve McKenna, and Dan Shull, the Tiger crew shot to some impressive wins. They also "lost" their shirts in some close battles. The crew rowed against as many local teams as was possible. Rowing against distant and prominent schools, however, was done.

Parkersburg and Parkersburg Catholic were common foes. Culver Military Academy in northern Indiana was another. It was on the way to Culver that the team met with catastrophe. The trailer carrying their new \$2,000 shell was struck by a strong gust of wind and forced it into the side of the car, demolishing the shell. T. C. Williams of Washington, D. C. was another non-local opponent.

As a competitive sport at MSHS, crew has steadily grown during its ten years of existence, not only in just plain size, but in the caliber of boys that are now participating.

A. Springing to smother a bunt attempt is third baseman Lee Riley B. Showing the style that makes him one of the counties leading stuggers is outfielder John Casto. C. Ready to release his big curve ball, Karl Kesselring displays co-ordination as well as concentration. D. Tiger first baseman Scott Hovis displays power that helped lead Marietta to the MOVWV title.

The Tiger baseball team established a tremendous 14-5 record and was the Mid-Ohio Valley West Virginia league co-champs with Parkersburg. Left fielder Steve Arnold led the batting with a .328 average while first baseman Scott Hovis and second baseman Kim Casto tied for the runner-up spot with a .324 average, Arnold also led the team in runs-batted-in with ten. He and John Casto tied for the lead in extra-base hits with five.

The pitchers were led by Jim Scott. Of the 123 innings of play, Jim pitched 53 of them. He ended the season with a 7-1 record, and has a 12-2 record in Varsity action. He was more than ably backed by Dave McCutcheon, Craig Estes, and Eugene Griffiths. Karl Kesselring and Mike Beardmore made timely relief as well as starting appearances.

The Tigers also had another advantage to go along with hitting and pitching. Leadership! Co-captians Emanuel Caltrider and Larry Burke supplied the drive to get the Tigers to their great record.

The '69 season was sometimes frustrating. The frustrations at Newark were probably the top nerve renders and the 2-1 loss to Belpre for berth in the state tourney was probably next. But elation was present also, for example, when Beardmore threw a no-hitter in his first Varsity appearance, and the revenge victory over the Big Reds.

#### A Game Of Fundamentals,

Of all the sports, perhaps no other takes as much practice, as much application of fundamentals, and as much concentration as is required in playing the game of golf. Our high school was blessed in 1969 with a group of boys who had the ability to apply themselves and concentrate to make the Tiger linksmen winners.

The squad included seniors — Howard Locke, Chris Brunton, and Jim Amrine; juniors — Ed Kimmich and Jeff Adams; and sophomores — Rick Thomas, Homer Dunn, Steve Wentiss, Paul Loughrey, and Jim Locke.

Howard Locke was one of the best golfers Marietta has produced. He was near or on the top in many of his high school matches which must have run near forty.

Amrine, a transfer from St. Mary's Catholic was a welcome addition to the Tiger team and supplied important victories in his matches.

Loughery played excellently and started for the Tigers, though only a sophomore.

The reserve team was led by Kimmich and Adams who also made some timely varsity appearances.

Now don't let that eagle and birdie stuff bother you. This game is strange; where else can you score the most points and lose?

Most people think a cheerleader is just supposed to show people how to yell and jump up and down when the home team scores. Well, they're right at least about most cheerleaders. Now, take a warm constant smile and a friendly personality and mix these optional features with eleven girls full of spirit-building ideas and you'll probably have the Marietta Senior High School varsity and reserve cheerleaders.

This group of girls, six varsity and five reserve, work and plan hard to carry out the seemingly impossible job of instilling spirit in and bringing forth cheers from the sometimes unconcerned crowds. The varsity cheerleaders for the 1969-70 year were seniors—Janice Badger, Janet Barry, Chris Meagle, and Nancy Neely—and Juniors—Kathy Rhinesmith and Nancy Webb. The reserve cheerleaders were Jan Barnes, Joy Barnes, Francis Neely, Mary Ann Shamel, and Jill Starner.

Another important faction of the cheerleaders corp is the mascot. This year, Diane Pabst ably filled the sometimes unenviable paws of "Tabby". Her stand-in, Pam Meagle, took over and did a fine job at swinging the Tabby tail when Diane was absent.

The advisor for the cheerleaders this year was Mrs. Briggs.

For everything there are people ...

For everything there is a season, and

A time for every matter under heaven:

A time to be born, and a time to die;

A time to plant, and a time to pluck up what is planted;

A time to kill, and a time to heal;

A time to breakdown, and a time to build up;

A time to weep, and a time to laugh;

A time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together;

A time to embrace, and a time to refrain from embracing;

A time to seek, and a time to lose;

A time to keep, and a time to cast away;

A time to rend, and a time to sew;

A time to keep silence, and a time to speak;

A time to love, and a time to hate;

A time for war, and a time for peace.

E. Tennis, bowling, horseback riding, and golf keep *Mrs. Phyllis Becker* busy in her spare time. When relaxing from all her sports, she enjoys doing crossword puzzles or playing a good game of Scrabble. After teaching eleventh grade English all day, she devotes some of her evenings to a night course in biology. When not found enriching herself, she may be found enriching her garden.

F. When physics teacher *Mrs. Carol Adler* takes time out of her busy schedule for relaxation, she knits. But nothing pleases her more than sitting down and reading an interesting novel.

G. Having an interest in home economics, *Mrs. Kathryn Adams* likes to cook and sew. Her other talents include playing the piano and arranging flowers. But when in a quiet mood, she listens to records.

- A. Mrs. Carole Briggs is naturally a fervent booster of the Buckeye football and basketball teams since she is a graduate of Ohio State. Riflery and swimming also enliven her idle hours. Advising the MSHS cheerleaders and the French Club are other ventures of this lively French and English teacher. While she is at home, she directs her energy toward knitting and playing the piano.
- B. It could be stated that the life of *Mrs. Katharine Bitters*, a POD teacher, revolves around the kitchen, the study, and the classroom. An extremely talented chef, she produces delicious foods as a result of her hobbies of cooking and baking. Fascinating sidelights of her culinary pursuits are her collections of cookbooks and salt and pepper shakers. Writing poems and articles is another facet of her life outside school. After her retirement she hopes to publish her works. In the summertime she teaches history at Coffee High School in Florence, Alabama.
- C. When not dissecting a fish, Mr. Robert Bumgarner, a biology teacher, could be found on the banks of a river catching one. But when the days turn sour, he can be found inside refinishing furniture.
- D. As might be expected of a driver education instructor, *Mr. Charles Bolin* is deeply interested in auto mechanics. Fishing, boating, and water skiing are pastimes which he favors during the summer months. When he is not "at sea," he goes golfing or hunting.
- E. Mr. William Bonar likes to shoot a few holes of golf on a sunny afternoon while he is not coping with student drivers. Along with playing golf, he coaches the dynamic MSHS football team. On the lighter side, listening to stereo consumes some of the leisure time of Mr. Bonar.
- F. During his spare time *Mr. Howard Buckley*, an occupational education instructor, enjoys reading and listening to music. In fact, he likes music so well that he collects records.
- G. When not involved with student council and the senior and all school plays, *Mr. Scott Bowen* relaxes by going horseback riding through the countryside or camping near a lazy stream. When in a more pensive mood, he withdraws into secluded places he calls "pigeonholes" to read a good book.

A. When she is not solving algebra equations, *Mrs. Louise Bethel* takes pleasure in gardening. Other pastimes which she finds delightful are sewing and cooking. Since she also possesses a keen interest in learning, Mrs. Bethel closely follows developments in education.

B. Music is of interest to *Mrs. Anne Cogswell*, Problems of Democracy and Current Events teacher. Playing the piano is one of her talents and she did so last year in the all-school play, "Bye Bye Birdie." This year advising the American Field Service was an activity which occupied her time. Her out-of-school activities include directing her church youth choir and horseback riding.

C. For *Mrs. Sandra Cunion*, an English teacher, sewing is a pleasant way to spend her free time. Reading and cooking are other avocations which she pursues. To entertain herself further, Mrs. Cunion dabbles in painting.

D. Teaching journalism, Problems of Democracy, and advising the *Original* and *Tiger Times* kept *Mrs. Jane Burton* active during the school year. Her three year old granddaughter, Lynlee, is the center of her life, but she also delights in attending sporting events. She also takes pleasure in traveling, swimming during the summer months, and reading. Although she does not have time during the winter, playing bridge is another one of her skills.

E. Although she devotes most of her time to teaching English, *Mrs. Doris Curtis* manages to indulge her interest in collecting china. During the summer months puttering in her garden is an activity which she relishes. Mrs. Curtis, like most English teachers, also delights in reading. Another pastime which she favors is listening to music.

F. Mrs. Jane Crandall, teacher of American history, entertains herself by reading. Although she suffered an accident several years ago, she still retains her interest in skiing, golfing, and horseback riding. Mrs. Crandall also likes attending high school and small college football games.

G. As a pleasant diversion from his duties as band director, *Mr. Grover Buxton* channels his energy into wood-working. Included among some articles which have been produced through his craftsmanship are a coffee table, hi-fi speakers, and refinished sideboards, tables, and chairs. Although it is a rather unusual hobby, selling real estate consumes another portion of his free time. Naturally, since he is the band director, Mr. Buxton also shares a fondness for playing musical instruments and derives pleasure from listening to music.

H. Known as "Mama" to her four hundred seventeen 1970 seniors, vivacious *Mrs. Vivian Cayton* delights in reading, art, caring for her children, and caring for her seniors. This year the senior members of the football team demonstrated their affection for her by awarding her an honorary membership. Thus, she was often seen wearing her orange and black number seventy football jersey. At Christmas this versatile art teacher makes all the Christmas decorations for the Cayton home.

- A. To discover Mrs. Lynn Davis, a mathematics teacher, enticed by an exciting mystery or an intriguing spy story would not be unusual. Listening to music also entertains her.
- B. Whenever it is possible to indulge in her whims, Mrs. Lois Cain sews. Camping outdoors is another activity which pleases her. Naturally, as she is an English teacher, Mrs. Cain regards reading as a source of pleasure. She possesses an additional 412 interests: the members of the Class of 1972 whom she advises.
- C. Home economics teacher *Miss Carol Darst* is interested in cooking and sewing during her spare time. She also enjoys reading books of varied subjects. Travel to such places as the Smokey Mountains fills her vacations. Hawaii was once on her itinerary.
- D. After teaching geometry and general math, *Mrs. Eugenia Dougherty* relaxes by sewing and hooking rugs. Along with these hobbies, she is fond of listening and dancing to music, particularly modern jazz. Reading novels which were written to entertain also amuses her.
- E. Scaling a mountain in the Cascades was one of the adventures of occupational education teacher *Mr. Thomas Daggett* on his many trips through the country-side. This traveler also finds time to hunt wild game in many of our forests. Another one of his outdoor sports is fishing in mountain streams.
- F. Mr. Thomas Davis can be described as a "conservationist at heart." This occupational education instructor is quite concerned with he preservation of our forests and lands. Even while he is searching for relaxation, he would probably be found camping in the woods or near the lake's shore.
- G. As a drafting instructor *Mr. Jerry Devol* teaches pupils how to design modern homes; as a devotee of local history he delves into Marietta's past. Indians who once inhabited this area are his favorite subjects of study. Gathering artifacts such as arrowheads increases his knowledge of local Indians while collecting manuscripts and heirlooms furthers his insight of life among early settlers.

A. Outside of the classroom *Mrs. Virginia Hart* delves into her diverse interests which range from sports to antiques. Refinishing furniture is one of her various hobbies. To amuse herself further, Mrs. Hart takes pleasure in knitting, golfing, reading, and listening to music. As befits a teacher of an ancient language, Latin, Mrs. Hart also displays a penchant for collecting antiques. Included in her collection are such articles as old magazines, old newspapers, household items such as nutmeg graters, tea kettles, bed heaters, and primitives made of wood, iron, and tin.

B. Doing things with her hands provides *Mrs. Mary Hammett*, a business education teacher, with the opportunity to entertain herself and exercise her talent for creativity. Through practicing the handicrafts of knitting, sewing, crocheting, crewelwork, needlepoint, and embroidery, Mrs. Hammett has created such exquisite pieces as afghans, sweaters, and dresses. Since she also relishes the outdoors, Mrs. Hammett is no stranger to sports, especially golfing and fishing. Gardening and reading are two more inclinations of hers.

C. As he is a licensed referee, *Mr. Karl Hiebel*, a biology teacher, is naturally interested in sports. Besides refereeing at local football and basketball games, he enjoys playing golf and follows Ohio State athletic action.

D. Being Athletic Director for Marietta Senior High School was a new position for the familiar face of *Mr. Floyd Hamilton*. Due to his position he naturally relishes sports and suffered his broken arm as a result of falling from the bleachers at the Zanesville football game. Possessing an interest in music, Mr. Hamilton owns several stereos and has a stereo tape recorder in his car. Playing bridge occupies another portion of his time.

E. Mrs. Petra Duffett delights in romping with Carlos and Nellie, the Welsh Corgies she has raised, but education is her primary interest. Motivated by her concern for education, Mrs. Duffett, one of our school's guidance counselors, has contributed articles dealing with this subject to several magazines and hopes to write more in the future. Mrs. Duffett reads to keep pace with new developments concerning her field, but she also reads for sheer pleasure.

F. Since Mr. John Gibbs is a drag racing enthusiast, our school's choir director could be referred to as a "man on the move." This description suits him because of his zeal for this sport and because he is involved in numerous other activities. Serving as an advisor to "Sing-Out Marietta," and singing in the Saint Mary's Church Choir are numbered among these interests. In addition, Mr. Gibbs practices amateur photography. Because he is an avid sports fan, a portion of his leisure time is devoted to following sports events and coaching football and wrestling teams. Playing musical instruments, especially the piano, is also a favorite pastime of Mr. Gibbs.

G. Historically "in the know," Mr. John Hammat teaches American history, world geography, and sociology. Whenever a few minutes of leisure time are available, Mr. Hammat enjoys reading. Historical fiction and non-fiction rate near the top of his choice book list.

H. Miss Marta Kay Hill revels in sports, particularly bowling and golfing. However, she does not limit her activities exclusively to sports. Among other pastimes which she fancies are reading, an inherent avocation for an English teacher, and leading Girl Scout Troop 64 at MSHS. From these girls Miss Hill has received her nickname of "Sunny."

A. Hunting, fishing, basketball, and football are the choice sports of *Mr. Gene Neely*, the DCT instructor. His favorite basketball team is the Los Angeles Lakers while his favorite football team is the Dallas Cowbolys. Listening to country and western music and reading sports and current events are his other pastimes.

B. A 175 pound two-year old Saint Bernard named "Tipper" employs some of the spare time of *Mr. Gerald Jones.* Besides playing with his pet, this distributive education instructor likes to play golf.

C. When *Mrs. Virginia Noe*, an English teacher, needs a "change of place," she travels. Among the places she has visited during summer vacation are Hawaii, the Southwest, the Canadian mountains, and Europe.

D. After School, world history teacher *Mr. William Knowles* retires into a darkroom to practice photography. He devotes the rest of his idle hours to collecting pipes and reading.

E. Watching basketball and football games is recreation for *Mrs. Sally Lind*, an English instructor. While she is at home, she relishes cooking and listening to her collection of records.

F. The active *Mrs. Mary Lingerfeldt* takes enough time from teaching biology to enjoy all kinds of sports, especially skiing, swimming, and water skiing. In her quiet moments she sews.

G. In the summertime "gentleman farmer" Mr. James Jordan could be found working in his garden. With the change of the seasons, Mr. Jordan enjoys following different sports, especially baseball.

H. Frolicking with Wismar, her lively puppy, provides endless amusement for *Mrs. Dawn Inabnet*, a biology teacher. Sharing a fondness for music as well, she composes pieces, sings, and plays the flute. Sewing is another pursuit which she fancies.

- A. Our versatile *Orian* advisor is none other than *Mrs. Glenna Neville*. While not playing with her three year old daughter, Leslie Rae, or grading English and Spanish papers, she is probably reading classics or contemporary novels. If she has any leisure time left, she spends it by listening to Elvis Presley Records.
- B. Athletics are the sole interest of *Mr. Anthony Male*, a carpentry teacher. Among those which are his favorites are golfing, football, basketball, and baseball.
- C. Mr. Eric Minturn devotes some of his spare time to wood-working. This unique talent has been shown in such objects as a bookcase, end tables, and an inlaid coffee table, for his home. When not working on these articles, he may be found reading.
- D. Playing the piano entertains *Mrs. Mary McMahan* and her friends. Besides this, she also enjoys reading.
- E. Teaching geometry and SMSG math employs *Mr. Harold Miller* at MSHS; studying law by correspondence and teaching math at Marietta College occupies him as well. Because he is an earnest Ohio State fan, rooting for the Buckeyes occupies many of his Saturday afternoons. Three daughters and a son garner his major leisure time allotment with reading and listening to music taking the remainder.
- F. When he is not counseling sophomore students, *Mr. Charles Milhoan* is likely to be found outdoors. While he is at ease, he devotes himself to such sports as golfing, skiing, fishing, hunting, and trap and skeet shooting. His excellent marksmanship has merited him several awards in competition including the 1968 championship of the Parkersburg Blennerhassett Field and Gun Club. A weekly outdoor column appearing in the *Parkersburg News* comes from the pen of Mr. Milhoan.
- G. Wood-working is an inside activity which busies *Mr. James Luthy* while he is not teaching chemistry. Some examples of his handicraft are a desk, a bookcase, a toy box, and a kitchen cabinet. When he is outdoors, gardening is a welcome diversion for him. His other pastimes include reading a variety of books and listening to music.
- H. While not teaching German, Mrs. Gita Muskat concerns herself with reading. Included among her favorite selections are biographies and classics, especially those written by Friedrich Schiller, the author of William Tell. Following the careers of outstanding students whom she taught also fascinates her for she considers it gratifying to watch them continue to achieve.

В

- A. Golfing and fishing are welcome recreation for Mr. Vernon Nicholas, the principal of MSHS. Following sports exploits, especially the football games of the Cleveland Browns, serves as another distraction for him.
- B. If he is not coaching the basketball-playing "Tigerkittens" of the ninth grade or serving as assistant baseball and football coach at the senior high, sports-minded *Mr. Michael Popp*, a geometry teacher, is on the sidelines rooting for the Cleveland Browns, the Boston Red Sox, and the Los Angeles Lakers. Camping at Oak Ridge and North Bend, trout fishing, and hunting are his other ventures.
- C. Business education instructor *Mr. Ernest Petitto* listens and dances to that "good, old, soft sound" while he is away from MSHS. Playing poker and golf are two other of his leisure time activities. He devotes the rest of his free time to reading light, airy fiction.
- D. Swimming pools, tennis courts, and football stadiums are places which MSHS alumna *Mrs. Jean Pickens* visits outside Room 208. At football stadiums she supports "her" teams: The Cleveland Browns, the Marietta Pioneers, and the Marietta Tigers. Although she is proud of her teams, she is even prouder of her Camaro.
- E. Mr. William Pierce, one of our guidance counselors, is a "jack of all trades," for his choice pastime is puttering in carpentry, plumbing, and electronics. He also displays a penchant for collecting and refinishing antique furniture. Listening to music composed by Rod McKuen, Jimmy Webb, Bach, Beethoven, and others is another of his diversions.
- F. While vacationing, *Mr. Jack Powell*, our vice-principal, unwinds by fishing and camping. Although he is also fond of golf, basketball, baseball, and track, the football teams of the Cleveland Browns, the West Virginia Mountaineers, and, naturally, the Marietta Tigers, command most of his attention. At home he reads documentary books, especially those about wars.
- G. Raising and racing standard bred horses refreshes *Mrs. Patricia Pugh* outside of school. Interested in music as well as horses, this business education teacher plays both the organ and piano and listens to all types of music. While at home, she is also fond of cooking, sewing, and reading. Watching football and basketball games is pleasure for her, too.
- H. Mrs. Anna Lou Kittle, a business education instructor, cooks and sews for relaxation. Some examples of her domestic achievements are baking her own bread and sewing her own wardrobe. Collecting antiques, especially guns and dishes, is another of her hobbies.

A. Although teaching industrial arts receives much of his attention, *Mr. John Spence* still has time for hunting and fishing. Football, basketball, and track are his favorite sports. He also collects and refinishes antique furniture.

B. Sports, particularly water skiing and boating, attract *Mrs. Iwana Simon* whenever she is not busy with her tasks as OWE director. Reading various types of books and listening to music ranging from opera to Mama Cass are other hobbies of this vivacious MSHS faculty member.

C. With the luxury of spare time, Mr. Thomas Robinson turns his thoughts from his junior English and creative writing classes to seize the opportunity for a leisurely horseback ride. Bowling is another one of his activities. During his remaining free time he plays the violin and piano and dabbles in painting.

D. As Mr. Leo Russell is a physical education instructor, it is not surprising that he favors athletics. Included among others, his choice sports are water skiing, motorcycle riding, golfing, and basketball. Although he values his motorcycle highly, Mr. Russell's prized possession is his master's degree in physical education which he earned this year.

E. For relief from her business education classes, Mrs. Carolyn Smith sews and knits. Reading light books and listening to music including all kinds from pop to jazz are other avocations which relax her. In her remaining idle hours this "football fanatic" counts the touchdowns made during the season. When the football season ends, she transfers her enthusiasm to basketball.

F. An appropriate activity for *Mr. Ralph Sawyer*, an agriculture teacher, is working on his farm. Advising the Future Farmers of America and reading books concerning agriculture, economics, and history, especially those involving Lincoln, Churchill, and Eisenhower are two of his other pastimes. His poodle, Jocko, garners his attention during the rest of his idle hours.

G. Mr. John Siddall relishes sports as a welcome respite from his duties as driver education instructor. Baseball ranks as his first choice while basketball and football tie for second-place. Reading magazines and watching television also offer diversion for Mr. Siddall. He lists sports telecasts, variety shows, and the Tonight Show as his favorite programs.

H. When she is free from teaching history, *Mrs. Virginia Smith* treats herself by cooking and reading. She prefers to read historical fiction and biographies.

- A. When resting from his tasks as superintendent of schools, *Mr. Ralph Tullis* chooses to play golf, tennis, or fish. In his die hours he also has an inclination for wood-working. Results of these efforts are a carport, a garage, and an addition to his house. While resting at home, he reads educational magazines for information about teaching methods and students.
- B. When she is not counseling MSHS seniors, decorating a one-hundred year old house she has restored busies *Mrs. Phyllis Wells.* Cheering for her son, a Villanova College football player, also occupies her time. The football teams of the Marietta Tigers, Ohio University, and Cincinnati Bengals are her other favorites. While relaxing at home with her Siamese cat, Heloise, she listens to contemporary music and reads various books.
- C. Teaching world history does not conflict with the zeal that *Mr. James Warren* has for sports. He has served in every position from assistant track coach to press box manager at MSHS. Since he is an "Ohio individual," his selection of his favorite teams is not surprising. He designates the Marietta Tigers as his all-round choice, but the Chicinnati Bengals and Ohio University football teams also appeal to him. The Cincinnati Reds and the Cincinnati Royals are his preferred base-ball and basketball teams.
- D. The sometimes forgotten, but indispensable members of the MSHS staff are the cooks. This year's were, from left to right, Rosalie Harper, Genevieve Lane, Nancy Tullius, Bobbie Neely, Audra Van Dyke, Geneva Becker, Edna Hall, Goldie Close, Winona Abicht, and Betty Metts.
- E. As he is an electronics instructor, experimenting with electronic music is a fitting pastime for *Mr. Bradley Vrooman*. Playing the organ and listening to music played from the stereo he built are his other activities.
- F. Traveling to all the elementary and high schools and teaching at them leaves little time for hobbies. Fortunately, for *Mr. Clyburn Yoho*, his position as orchestra director combines business with pleasure since he is quite fond of music.
- G. Repairing jammed lockers, operating machinery, and keeping Marietta Senior High spotless are only a few functions of our custodians. From left to right are Neil Shears, Ruth Johnson, Harry Reichardt, Charlotte Suber, and Jim Northup. Not pictured were Freda Dickerson, Robert Foster, Gertie Gutberlet, and Herbert Hardie.

Supervising activities such as the float, the talent show, and the prom were officers Sally Archer, Vice-president; Chob Davis, President; and Linda Thompson, Secretary-Treasurer.

### Among The Juniors Was The Controversial Dress Code

Linda Clift

With Christmas came a spirit of giving and the Junior class voted to collect canned goods and distribute them to needy families in the Marietta area. Four Juniors, known as the Fallacious Four, kidnapped the class advisors, Mrs. Cain, Mr. Robinson, and Mrs. Cayton, with the understanding that the advisors whose class brought in the most canned goods would be freed. The race between the classes was on . . . each one trying to outdo the other. The three advisors were presented at the Christmas assembly in cardboard cages. Paul Loughrey, the Fallacious Four's leader, announced that the Senior class had brought in the greatest amount of canned goods and "Mama" Cayton was freed.

A. Mama Cayton resists capture by the Fallacious Four, the notorious Junior class kidnappers. B. The kidnappers guard their prisoners as they count and separate the ransom. C. Nancy Engle and Norma Wolfe, members of the Fallacious Four, torment their captives during the assembly. D. Waiting their turn to jump, members of Miss Bickford's gym class watch Diane McCarthy do stunts on the trampoline.

#### A Fluorescent Wizard Ruled Over The "Land of Oz"

"Somewhere over the rainbow," specifically MSHS gymnasium, was the location of the Junior Prom, held on May 17. After weeks of hard work and preparation by many juniors, the "Land of Oz" finally came to life. Under a blue and white crepe paper sky, murals of the poppy field, cornfield, and Enchanted Forest smiled down from the walls. Lifesize figures of the Cowardly Lion, Tin Man, and Scarecrow stood before these scenes, and in one corner was the house that carried Dorothy to this fairy-tale land. A rainbow bridge, situated at the entrance, was joined by the yellow-brick road, leading to the palace at Emerald City. Here the crowning of King Karl Kesselring and Queen Nancy Neely climaxed the annual affair. Music for the evening was provided by a soul group from Pittsburgh, Peck's Bad Boys, and suspended above the band was the large fluorescent image of the powerful Wizard of Oz.

KING Karl Kesselring

Much time and work is spent on constructing decorations such as A. the "Bridge over the Rainbow" and B. the Enchanted Forest. King and Queen candidates are C. Janet Barry, Nancy Neely, Janice Badger, Chris Meagle, Karl Kesselring, Kirk Hardman, Doak Markley, and Scott Hovis. D. Couples dance to an evening of music E. provided by the band, Peck's Bad Boys.

For Everything There Is A

The dream of every yearbook editor and his staff is to create a book that is totally different in appearance and soul than any other. That particular book, containing the touch of every staff member, would present the basically same events in such a fashion that copy would be read, pictures studied, and the book reacted to favorably. In this sense, the yearbook belongs to the staff.

The 1970 *Orian* has done this. The staff felt that the book was unmatched, at least in the other fifty-one editions of the *Orian*. The two divisions, events and people, provided a unifying effect which clearly illustrated the school. The teachers were presented as people, not stiff forms behind a podium. A little life was added to the advertisements with the use of photographs.

In another sense, though, the real ownership of a yearbook belongs in the hands of the student; the student who bought it, the student who participated in school functions, and even the student who sat a few seconds for his class portrait. The purpose of the yearbook is to record, in words and pictures, the activities of a particular school year. If there were no students, there would be no need for a yearbook. Thus, to the student the staff gives ownership of the 1970 *Orian* and hopes that he cherishes it as much as we do.

There are several persons to whom I would like to give my expressed appreciation. First, the business staff, the group of students who sold the advertisements necessary to finance the book. Selling any product is not an easy task, and these

students are to be commended.

Second is Sharon Dyar. The Dyars were transferred before the *Orian* pictures were taken, and unfortunately, Sharon did not receive credit for her work. Much of the copy and many of the layouts appearing in the Academic section are the result of her efforts.

Mr. Raymond Vladar, Publications Consultant for American Yearbook Company, is the third person I would like to thank. Without his bi-monthly visits and his vast array of ideas, the 1970 book might not have differed much from the 1969 edition.

This fifty-second edition of the *Orian* is produced by Signature Graphics of Medina, Ohio who printed 1,000 copies on the lithographic presses of Delmar Printing Company, Charlotte, North Carolina. Body copy and photo captions appear in Universe, Universe Bold and Italic type set photographically. Bodoni Bold spells out the headlines. Each copy contains 204 pages of eighty pound contemporary matte paper, an enameled stock by Warren. Simpson Lee Papers supplied the auburn Teton stock utilized in the introduction and hand tipped divider. It is their rust Telemark that contains our Table of Contents and serves as endsheet to hold book to cover. The magnificent tiger wrapped around both front and back lids of the '70 *Orian* is by the internationally famous artist Hug. Creative photography appearing on the introductory pages was captured by the lens of Pat McKenrick of Cincinnati.
